SÉJOURBO

Hôtel Beau Séjour
Lausanne

Dear Mr. de Lasglo.

I am adding a few
lines to Curtis to thank
you both & to say I'm so
sorry that you had to pay
so much postage - I had
great difficulty here with the
Post but finally managed
to send it registered for
75 Centimes - I see you
had to pay more than 2 frs

I'm so sorry - I suppose an
autograph book is something
exceptional -

I hope yr husband's leg is
now all right. I am sending
this to London as I don't know
of foreign address after you
leave Wiesbaden -

Mr Bradley Keeler has
just arrived at the Hotel -
he is a wonderful pianist
& were he in want of
funds - he could play
professionally anywhere

he delights us all here & there.
They live in Paris - but are
Americans - We are living
our ordinary sort of life -
occasional expeditions for
sport & rightly bride

I was going above Les Aumonts
for Ski-ing today - but the
weather broke for terms -

With kindest regards &
yours both for sincere

W. F. Dandmalt Cochrane

Kind you Remember me with
Kindly to any members of
Yours family - I do remember
You.
