

MAYFAIR 3625.

No. 14. B.
33, PARK LANE, W.

Dear Mr. Dargle.

I was unfortunate
about the Card, but
of course it never
reached us. — He
called me afternoon
to see 1st at 1st
Studio — The afternoon
we arranged to meet
Mrs. Dighton there —
but 1st had already
gone. — He will write

I have the pleasure
of seeing you picture
another time — the
week we are rather
busy & so will not
be able to arrange
anything — unless
Friday afternoon would
suit — Mr. —

We are giving a
small dance here
on Wednesday night
& if it would amuse
you I should be

delighted to see
Mr. we begin about
11. clock.

Yrs. Sincerely
Phil Fane Glavin
