March 24th, 1915.

Dear Mr. Laszlo,

This is only to let you know that Trinity College has agreed to lend your portrait of Mr. Balfour to the Manchester Exhibition; and Mr. Temple, the organiser of the Exhibition, (of the City of London Guildhall) has been written to upon the subject by the Deputy Bursar. If you yourself wish to make any communication upon the matter, this is the gentleman to whom you should write.

Yours very truly,

W. G. Short
