Dear Mr. László

I am writing for my Mother,
& thank you so much for
offering to see my sister's
drawing. I will bring her
up to your studio on
Wednesday at 5.30.
We have good wood.

Futur in Russia, he is
on his way back from
Pere-missel (somewhere
Przemysl!) whom they
have here for the last
few days.

With our kind regards
I am yours sincerely
Wladyslaw F. Hausman
