29, HERTFORD STREET,

W. 1.

April 24

Dear Mrs. Langlo,

Lady Graham and our second boy
 did not come to London this week after
 all, they are now at North Berwick -
 She will be here about the middle of May
 and I shall hope to persuade you to
 come here and see both them & your
 picture then. Mrs. Stobart says
 she hopes you will come either to lunch
 or tea as it suits you -

Yr sincere
R. G. Graham
