

22nd February 1924.

Dear Mrs. Ham,

Many thanks for your letter, which I was so glad to receive.

It will give me great pleasure to paint the portrait of Mrs. Hope's daughter during the month of May. Will you kindly let me know whether you mean here in London or in Paris. I intend to be in Paris about the 10th of May for the purpose of painting a few portraits.

I enclose a postcard which may interest you. The original picture is in the Yea du Rones Gallery, Tuilleries Garden, where the foreign artists pictures are placed.

During my stay in Paris I hope you will be there too, and would be glad of the pleasure of meeting you.

Please remember me to Mr. Ham.

With our kindest remembrances to yourself.

I am,

Yours sincerely,

*P.S. Please also kindly let me know  
what size picture Mrs Hope requires*
