Dear Mr. Lyle.

Many thanks for
the address. I will
write to Mr. Cullen
and will try to meet him
next week — so as
to arrange about the price

I am not able to pay
very much —

I am looking forward
to your Exhibition
immensely — I am sure
that no picture you
ever painted has given
as much pleasure

As the picture you
presented for me -
I will remember
your permission
to send in some
friends name
for the spring day -
Yours sincerely
