Not Dictated.

Dear Mr de Laszlo

We were so sorry not to be in London so as to  
come to your private view, but we are coming up on Monday and are much looking  
forward to seeing the Pictures which we have heard so much about .

We do not get back to Belgrave Square till the middle of July so shall be at  
The Alexandra Hotel.

Our compliments to your wife.

Your's sincerely

*Albemarle*
