Dear Mr de Laszlo

I have seen Mr fill  
this afternoon and write  
at once to tell you that  
in my opinion it is not  
possible to do anything with  
the House office at this  
moment -

Sincerely the new House  
Secretary is appointed

Application can be made  
for leave for you to move;  
and indeed I hope and  
believe that with the end of  
the war so nearly in sight  
a complete termination will  
be set to your sore trial  
and that days of rest  
and happiness are in store

for you -

But at the present moment  
I can only as a friend still  
counsel patience.

W. L. G.
