Dear Mr de Laszlo

Thank you so very
much for your kind invitation
to your party tomorrow evening.
I should so much enjoy coming
but my girl has got up a small
play & I had promised to see her
act with some cousins it is
fixed for tomorrow in the
County. I wonder if I might
come, if I can leave in time
to come. It seems rather

Kind to ask if I may do this
& if it is at all inconvenient
will you ask Miss Weyman
to tell me. it might be
very inconvenient. but if
Miss Weyman leaves you kind
invitation open - it would
be so nice to come if I could
manage it.

It is so very kind of you to
ask me. Then you are going to
Egypt. I know my brother would
so like to meet you & your husband
& hope you will let him know you
are going. or let me do so.

9 WILBRAHAM PLACE.
S.W.1.

I was so sorry not to see
you when you were at
Forden Bath.

Yours sincerely
