

MAYFAIR 2567.

April 27

19, CAVENDISH SQUARE,

W.

Dear Mr. de Laszlo,

Will you do me and
my co-Directors of The Times
the pleasure of lunching with us
at Printing House Square on
Wednesday at 1.30? It will be
quite an informal party. I am
looking forward to showing you
the copy of your portrait of me &
hearing your opinion of it.

Hoping you are free

Yours sincerely J. Walter
