Dear Mr de Sazlo

To sorry to worry
you, but I am troubled.
Mr P. O. Argenti who wrote
to me sometime ago, about
copying one of your Portraits
communicated with me
again & I have interviewed
him - He informs me that
his sister who has the
portrait now refuses to
lend it to be copied.
so he has asked me to

paint a portrait of his
mother from an enlarged
photograph of the picture.
Before starting the commission
I should like to have your
views, whether you would
like me to do this, if so
would it be right legally.
Hoping you are well &
have had a good holiday
With kindest regards to
you & Mrs de Laazlo in
which Mrs Kendrick joins

Yours sincerely
Sydney Kendrick
