

QUEEN ANNE'S MANSIONS,

ST JAMES'S PARK, S.W. 1.

June 7th

Dear Mr de Laugel,

I was tearing
up this photo-
graph, & then I
thought you
might like to
have it, as the
lines are left
in on the face

You will have got
my message that
I shall be very
pleased to have
the portrait done
in "inks," if you
like to do it so
about your war
picture, I will
gladly help you
if you wish to.
Yrs. sincerely
Hara Clara Satter.
