Dear Mrs. de Laszlo,

It was so very good
of you and Mr. de Laszlo
to send me such a lovely
barometer as a wedding
present and I cannot
thank you sufficiently in
what must, I fear, be a
short letter as I am still
much in arrears.

I do hope you will
forgive the long delay in

writing and will accept
this brief and quite
inadequate expression of
my very best thanks.

With best regards

Yours Sincerely

Helmuth B. Schmidt.

P.S. Thank you also very
much for your wire of
good wishes which gave
us much pleasure. We were
all very sorry you were
detained in Paris.
