Dear Mr de László.

It is indeed good of you to send me such a charming sketch, (via Stephen) as a prize for the "Living Vaster" ball next week, and this is to thank you very much.

The committee are delighted with your gift, and personally I

only wish that for once in my
life I could be lucky and win
your picture myself.

Again thank you so much
- it really is awfully kind of
you and I am most grateful.

Yours sincerely,

Peter Steward.
