

Wednesday.

234 St. James' Place
Buckingham Gate
London S.W.1.

My dear Mr de Laugel

It is very kind of you to ask my girl
and her friend to come down there on City
to tea tomorrow - and I shall send them
gladly!

But I beg you - to remember that
my girl is not yet 16 years of age - and
is not yet going in society - and can
not accept invitation from anybody
who is not my special friend.

Aimee Marie is looking forward to you
and your husband again - -

These lines mean only: deff. A jeune
seule, deff. meine Tochter noch also
mehr oder weniger als Kind und
nicht als Dame behandelt wird!

I am looking forward to see and
my friend Philipp on Friday after 5?

Meanwhile my best love to
your both.

Yours very sincerely
R. Clavin
