Dear Sir,

You may remember that I saw your in December of last year, with reference to having your picture of Lord Cavan (with two slight alterations, i.e., cap and medal ribbons) copied for the Irish Guards.

You very kindly gave your consent to the picture being copied by Mr. S.P. Kendrick. I then had to let the matter drop owing to shortage of funds.

I have now obtained the necessary funds. Have I your permission to proceed with the matter, and arrange for Mr. Kendrick to have the picture during the last week in July ?

I am estimating that Mr. Kendrick's fee will not exceed £70.0.0., and that the frame will cost about £25.0.0.

Yours sincerely,

Colonel,
Commanding Irish Guards.
