Dear Imre de Laszlo

It is a great disappointment that owing to my departure from England on the 18th that I shall have to forego the pleasure of coming to see you this time. Directly I get back to Budapest I will consult the committee and set

you know of the date
of his next lottery and
we shall look forward
to receiving our most
generous contribution
bit.
I have just
heard, with deep sorrow,
of his death at our
dear friend Count Klebelsberg's
a terrible loss to Hungary
and his many friends
and his help & wonderful
energy will be terribly
missed by his committee
of the Painters Lottery
Hoping to see you when you
next in England
Yours sincerely
James Milnes

Maidstone.

Dear Mr. de Laszlo =

Thank you for your
letter of the 17th inst.

It is most kind
of you to present a
picture of the committee
of which I am member
& I need hardly say
that it will be an
amuse attraction.

Should you be in

town before I leave for
Bordobest. on about
the 19th Oct. it would
be a great pleasure to
me to visit you and
your studio one afternoon
we could then discuss
how and when your
generous gift could
be sent.

I am not often in London
I propose to telephone
when I am coming ab
back you whether you
would be in
Yours sincerely
Angie Austin
