

13th December, 1932.

Dear Mr. Duveen,

It is most kind of you to offer me the ticket for my son, Paul de Laszlo, who is very pleased to be able to be present tomorrow evening. I also am much looking forward to it, and hope the canvas will fetch a good price for Shering Cross Hospital.

I have just received a most delightful letter from the House Governor of the Hospital, expressing his pleasure about the canvas.

I will make arrangements to send the canvas, with the frame and collapsible easel, to 4 Grafton Street tomorrow, between 11 and 12.

Till tomorrow, with greetings

Yours sincerely,

Edward J. Duveen, Esq., C.B.E.
