Dear Mr. de Szécsényi.

I went to your Studio
on Saturday morning, but
was told you had telephoned
to say you were not coming.
I can well imagine that
you did not feel inclined
to paint after such an
excitement as we had in

the morning.

It is so good of you to say
I may see my sister-in-law
portant, and I am much
looking forward to that,
and especially to seeing
you again.

would it be convenient for
me to go to your studio
on Friday afternoon any
time after 4 o'clock? Or

in the morning so long as
I could get home punctually
by 1.15, as some people
are coming to lunch here.

I am so busy with various
war. works that I have
very little free time, and
I know how busy you are
too.

Perhaps you would be
kind enough to telephone
and say if Rickie would
be at all convenient, to

That I can arrange my
work hours to suit you if
possible.

With kind regards.

Yours sincerely,

Grace Hunter Weston
