

16th June, 1933.

Dear Father Ina,

I am sure you will be good and forgive me for my late reply to both your most kind letters. It is not my usual way to keep my friends waiting so long, but the last fortnight I have been terribly busy finishing certain works for the exhibition, and making arrangements for it.

I wish to thank you for kindly sending me "Our Lady's Epitaph". I love its spirit and the way it is expressed. Many thanks for your kind thought in sending it to me.

Regarding the portrait for our mutual friend, I shall only be able to concentrate on it the coming week, and hope by the end of this month to be able to invite you and him to see it.

my very best will I have been unable to work
at it until now.

Looking forward to seeing you on the 20th,
and later on here.

Believe me,

Yours sincerely,

The Reverend Father Laws.
