Dear Mr de Laugel

Thank you so much
for your telegram and
congratulations - my wife
and I are delighted
to have become grandparents
and Kitty has had a
beautiful little baby.

I hear of a 'private view'

of my portrait, and
that - it has already
won great success -
as I am sure it will
elsewhere ! I look
forward greatly to its
arrival at Bawood.
with many messages from Lady Langdown

Yours sincerely
