Dear M. Lacylo

I received your letter
after I telephoned to
you this morning. I
will certainly come on
Thursday for the roll
day, & on Friday &
Saturday morning
(if you like, I could
stay for the roll
day on Friday too?)
When you punched here
I remember telling
you I was engaged
to go away on Saturday

afternoon 19th till
the Tuesday. We thought
at the time that as
you were to begin the
picture on Wednesday
it would very likely
be finished by Saturday.
But as it is, I could
propose coming to you
on Tuesday afternoon
after my return if
that suited you, &
again on as many of
the following morning
as you wished. I do

hope that will suit
you. Please do not
trouble to reply if
this will be all
right. I will come
about 10 or
Thursday

Yours sincerely
