3 Dear Mr. de Laeyle

It is a great pleasure to
me to learn that you liked the
small white jade. I searched, also,
for some time hoping to find a
piece one of a fair size, but
finally selected those sent to you and
I understand Mr. Arthur came himself
to see them. White jade as you
know is not so difficult to find

And the delay has been of my idea
that you wished to have seen, so
I included the Lady Florentine vase, 180 years old
solely because of its colour!

It is a real joy to feel that however
small, I have been able to give you
a tiny gift - that since you pleasure
and with it is my gratitude for your
kindness to Peggy, and my admiration
for your fine genius in an art. 16th c.
Oh how I now have much to
all thank. What a prayer King
Henry has left to us - and our
prayers must be for Edward VIII
That he may be guided by God's

I wish you a happy journey and
can congratulate the Queen on her
Portrait.

A Thousand Thanks for giving Peggy &
also her father & myself. Something of
time to look at - and make us
happy.
