Dear Mr. de Laszlo

Thank you for your letter.

I really do not know what to do
about the portrait at the moment.
You were too busy at the beginning
of March & now I am leaving
for Berlin on the 26th & returning

again to London on the 8th of May.
I do not know how many sittings
you would wish & I am hard at
work for my London Concert for June
24th. On May 13th & 25th I have
two concerts which require some
work but not very much. Is there
a possibility of doing the portrait

In spite of all these difficulties? -
With kind regards

Yours sincerely
