25th. October 1929.

Dear Sir,

I am much obliged for your letter of the 23rd. instant giving me Mr. de Laszlo's honorarium for the various sizes of his portraits. This appears quite satisfactory, but I should be glad if you would tell me under which category the portrait of the Marchioness of Milford Haven comes. This was number 29 on the catalogue of Mr. de Laszlo's portraits exhibited in the French Gallery in July last and which Mrs. Nettlefold chose for size etc.

If you will kindly let me know this, I shall be much obliged and I am pleased to note that Mr. de Laszlo will be returning to London about the 7th. November and would therefore like tickets for Mrs. Nettlefold's Concert on the 18th. of that month.

Yours truly,

F. J. Nettlefold
