Dear Mr. de Laszlo,

Many thanks for your letter of the 23rd
and it is very interesting to note that you have
been painting a picture of H.H. the Pope.

I shall be pleased for you to exhibit your
portrait of myself at the Liverpool Autumn Exhibition.

If I am in London when your Exhibition is
open I will do myself the pleasure of accepting your
invitation to visit it.

I have not yet had proof of reproduction of my
portrait.

Yours sincerely,
