

17th May, 1924.

On the 20th of next month my Exhibition will open at the French Gallery, 120, Pall Mall, S.W.1. for a month. I would be very glad if you would kindly let me include your portrait in my Exhibition also I would very much like to have the portrait which I have painted of your charming Grandmother. May I ask you kindly to let me have her address and full name as I would like to write to her or would you be good enough to arrange it. I am leaving for Rome at the end of next week and have to arrange the list of the pictures, therefore, would you kindly let me have your reply at your earliest convenience.

What news have you of Mrs. Glyn and Lady William, when do you expect them?

Hoping I shall be able to have both the pictures in which case will you kindly send the list of friends you would like invited to the opening day to the French Gallery, 120, Pall Mall, S.W.
