

PINBURY PARK,

CIRENCESTER.

August 21.  
1919.

Dear Mr. de Laszlo

The beautiful picture  
has arrived & we went to see  
it unpacked yesterday (we are  
5 miles from Cirencester at present  
in our little house.)

We are delighted with it  
& it will look splendid  
on a very deep pink wall.

It is so very like the  
boy. I wish he had looked  
more cheerful, but he is a  
bad sitter & always looks  
sad & even cross when he  
is still, so you never saw  
him at his best & I know  
that he was not feeling very  
well during the few days  
when he sat to you -  
In spite of this, the picture

is absolutely satisfactory &  
will be a great possession.

We have got nearly all the  
heads of the Bathurst-family  
since Lancelot Bathurst in  
the time of Queen Elizabeth  
& they have been painted by  
Lely, Michael Dahl, Kneller, Dance,  
Phillips, Landseer, Lawrence, Eddis  
ouless, & now this splendid  
one by you.

Many thanks also for the

photographs -

Yours sincerely

Lilias Bathurst

P.S. Is any date in October  
more convenient to you than  
another. I am free from  
engagements for the present  
& could keep any 3 days  
in October which would suit you  
best.
