Monday

Dear Mr. Lasglo

I quite understand
I am so sorry about
elfet but I think
in November I shall
see my husband & do
it - Will you look in this
Thursday between 5 &
6 not later than 5.30
to tea in my garden
Friday 10th I will come

to be at 11 thereover
 of studio is & you'll
 do what you can with
 my very thin & not
 quite "in drawing"
 face. You must do
 by husband in the
 Autumn session if he
 can arrange things
he are horribly poor &
 I expect you are too
 but I am not afraid

of discussing this with
you -

Today is Tuesday &
I shall hope to see
you in the garden
even for 15 min
Thursday at 5

So
Yours truly
Francis Aspin
