Dear Mr. Deszö,

I enclose a cheque
for £100 for the second
portrait with many
regrets at the delay
but I was ill these
last months & unable
to attend to business.
I am recuperating now
in Switzerland & feel

alright. again - How you
been very busy? I hope
not overworking - Perhaps
I may come to London
in the autumn &
have the pleasure of
seeing you & any few
books of yours. Please
remember me kindly
to Mrs de Laigle &
with many messages
to yourself.

Love yours sincerely
Alice
