HOTEL IMPÉRIAL

MENTON (A.M.)

4. Feb. 1921. Mentore

My dearest Pauli. We are on the way home from a lovely excursion into the mountains. Miss Hadley joined us, + she + I rode up on a Donkey + I had a good strong mule! We are halting on the return journey + Dads is making a picture of the lovely blue sea below +

mountains round - We see real orange trees here + lemon trees, regular groves of lemon trees, heavy with lemons! How all my dear boys would love the place!

So far we've been here 4 days - We shall be leaving on the 16<sup>th</sup> for Paris + expect to reach London about 21<sup>st</sup> - I am writing on my knee, so my writing is v. wobbly!

We were Del: & get yours + Stef's  
nice letters - yes, Johnny will be  
lonely, especially as all carpets have  
been taken away at P. Gate.  
But Aunt Army + little Lu  
were there for some days after  
we left. Then later Aunt Eve  
& G. are coming there in a few  
days. Dad's picture is  
getting on nicely! Marjorie

Hodge is sitting near me, + is  
drawing Daddy!

I am so glad to hear you will  
be in the 4<sup>th</sup>, but I wonder Stef  
has not invited?

What did Mr. master say to the Best-  
hoven family? Has Stef played  
it with you yet? I've just asked Dad  
if he sends his love to you - reply -  
"Why do you ask me? you can imagine."  
But Pauly, give him my love!
